### Justine and Jamie's News

Hello and welcome to the Spring 2010 edition of The Glass Thimble Newsletter! Within this newsletter you will find an incredible variety of fantastic new classes that we have put together along with the return of a few of your favorites from the past, so take some time and check out all the great new projects and events that we are planning over the next three months.

It has been a busy past three months here at The Glass Thimble. We finished piecing and quilting all the quilt squares that we received back for the Panera Pink Ribbon Bagel Campaign and the quilts were presented to the American Cancer Society at their Board of Directors meeting.

Jamie is close to completing his first year as Treasurer of the National Quilting Association and will be running for another term, so if you are an NQA member, be sure to vote for him in the upcoming election.

We just finished designing and piecing our Quilt Spree 2010 project and we know you will just love it!! Speaking of Quilt Spree 2010, Saturday, May 1<sup>st</sup> will be the kickoff/preview of Quilt Spree 2010 at The Glass Thimble! We are planning some great events for that day, but you will have to wait to hear all the details. The dates for the actual Quilt Spree 2010 will be July 21<sup>st</sup> through July 31<sup>st</sup>, so for now, mark your calendar and join us on Saturday, May 1<sup>st</sup> to kickoff the fun!!

Our e-mail list is growing every week, especially since we continue sending out monthly coupons, so if you know someone who is not on our e-mail list, let them know that they should sign up because they are missing out on hearing about all the great new fabrics, coupons, and happenings here at The Glass Thimble.

Be sure to check out the information on the One Million Pillowcase Challenge as well as the upcoming Schnibbles Contest located on page 2 and page 6, respectively.

We have gotten many great new fabric collections in at The Glass Thimble over the last three months and have many more great ones that are scheduled to arrive over the next three months and beyond including many batiks, Jo Morton, Civil War reproductions, 30's, Christmas, Jinny Beyer, and of course Moda fabrics. We continue to work hard to provide you will the biggest and best selection of top quality quilting fabrics, books, patterns, and notions in Central Ohio. However, on a sad note, the new year has brought with it yet another round of price increases from nearly all of the fabric manufacturers, including Moda. We

strive to do our best to keep prices as low as possible; however, some of the price increases are unavoidable. The good news is that we will not be raising our prices on the Moda collections that we have scheduled to arrive over the next several months; we will be absorbing the price increase from Moda. Our view is that everyone still needs a little help

in these continually turbulent economic times, and therefore, we will be doing our part to try and help you so that you can continue to experience the joy and relaxation of quilting, along with the friendship, camaraderie, customer service and support that only The Glass Thimble can provide!

Enjoy all the great items in the newsletter and we will see you soon!!
