

Handwork Classes

Beginning Needleturn Appliqué

Join us to learn this beautiful quilting technique in a series of classes. You will be introduced to the basics by Peggy, who will give you many helpful hints along the way! You'll soon be making heirloom quality quilts using this time-honored technique! This class will run for six months—April through September. We have decided to extend the class to six sessions so there is plenty of time between classes to do the "homework"!

Instructor: Peggy

Skill Level: Beginner

Fee: \$25.00

Dates: First Tuesday of the month, 6-8 pm

April 6, May 4 and June 1 are the dates for this quarter!

Redwork and Relaxation

It's time to start a new pattern! Several of us regulars have fallen in love with Crabapple Hill's new pattern, *Susan's Dresden Garden*, so we will be starting to work on it this quarter. Feel free to join us to work on this beautiful quilt or bring anything else you may be stitching! Just come in and ask questions, get help with your stitches or just enjoy the company! We've been having a blast at these sessions!
