

Hidden Stars

Instructor: Christy

Class Supplies:

1. The book "Layer Cake, Jelly Roll, and Charm Quilts" by Pam & Nicky Lintott. We will be doing the quilt on page 42
2. Sewing machine and general sewing supplies
3. Small ruler and sharp pencil or Sharpie to mark your sewing lines if you don't get the Angler.
4. The Angler - will show how to use this great tool to sew flying geese without drawing lines
5. Slide on tray if your sewing machine has it. It will make the Angler work better.
6. Optional - a piece of flannel or batting if you want to lay out your quilt pieces as you sew them.

Fabric Requirements:

As outlined on page 42.

Homework prior to class:

Please precut your fabric as outlined on page 44. This is an easy quilt to do and we will make great progress if you have your fabric precut

Note: My quilt came out to 50 x 63 - not the size as listed in the book. It's a great lap quilt. You could also add a border after you are done if you want to make it bigger.
