Winter, 2010

Justine and Jamie's News

We would like to wish you warm winter greetings and welcome you to the Winter 2010 edition of The Glass Thimble Newsletter! We have filled this newsletter with more great new classes than we have ever had before, along with the return of a couple of your favorites. There are only five days that we are open that do not have classes scheduled, so you are sure to find a class or classes that you want to take!

As we start a new year, we look back on some of the changes here at The Glass Thimble over the past year. We hired some new staff members who brought some great new skills and merchandise to our already top quality ones. We brought in many new lines of fabric from some great new designers, in addition to great lines from all your long-time favorite companies and designers. Recently, we got the fireplace going with a nice warm fire everyday and have an extremely comfortable couch in front of the fireplace to give everyone a place to sit and relax while in the Shop. We began offering a monthly coupon via e-mail to help you save money each and every month of the year.

We will continue to do our best, to provide you with all the newest and best quality fabrics, books, notions, and patterns that are available in the market, along with providing you with the best selection of classes and helpful customer service to make your quilting experience the best it can be!

Based on your comments about the above changes, along with your positive comments regarding the great things that we normally do, we think that we are providing our customers with the best quilting experience of any shop in Central Ohio. We will continue to listen to your comments, both positive and negative, so that we continue to make The Glass Thimble an even better experience for you for years to come!

Take a look at all the great new classes in this newsletter and give us a call or stop in to sign up for some great new projects during the new year! Due to the incredible response we had to our classes during the last quarter, we encourage you to sign up early to reserve your spot so that you are not closed out of a class.

Just as a reminder, payment for class fees is due when you sign up for a class so that we can reserve your place in the class.

Have a great New Year and we will see you soon!!!

Good luck to the Buckeyes in the Rose Bowl! And, better luck next year to Notre Dame! And, to our beloved Cleveland Browns, there's always next year!
