

DYEING CLASSES RETURN!!!

Now that Meg is all healed and her schedule has settled down, she is ready to help us dye more fabric! If you have not taken these classes yet, you must! They are so fun! Meg has a variety of techniques she's going to cover this quarter using thickened dyes!

Come bring a friend and join the fun! On each day, there will be a morning session from 10 am-1 pm and an afternoon session from 1:30-4:30 pm. The morning session will cover a new technique and the afternoon session will just be an open dye opportunity. Class fee does not include the cost of the PFD (Prepared for Dye) fabric or the synthrapol which is used to launder the dyed fabrics. Also, you'll need to bring the plastic bags and containers if you choose to do parfaits, etc.

Fee: \$25.00/session

Dates: Saturdays, January 30, February 27 & March 27

FINISHING IDEAS FOR ALL!

Are all of your blocks from last year's block of the month program complete? Are you wondering what to do with them? Liz has the answers! She has designed setting solutions using the OSU blocks and the 30's blocks and is ready to guide you through so that you can complete your quilt before you start our new sampler program!

The 30's setting, which would also work for the pastel blocks, will be taught in one session on February 20th, from 10 am-1 pm. The fee for this session will be \$15.00

The OSU setting, which is a bit more elaborate, will be taught in two sessions on January 16th and March 20th from 10 am-1 pm. The fee for this session will be \$25.00.
