

# Rainbow's End

Instructor: Christy

## Class Supplies:

1. The Patchwork Among Friends book by Judy Martin. We will be doing the quilt on page 119.
2. Sewing machine and general sewing supplies
3. Small piece of batting, flannel, (around 18" or so)
4. Rotary cutter, mat, 12-1/2" square ruler

## Fabric Requirements:

As outlined in the book. The more fabric you have, the larger variety.  
Note: I did not do a quilt as large as the twin, and I kept the border simple by just adding plain borders.

## Homework prior to class:

You may want to cut just enough fabric to do just one block in class and then decide how you want to group your colors after making this block. This is not a hard quilt to make and you will have fun grouping your colors.
